

CORPORATE SAFETY STATEMENT

The safety of everyone associated with United Van Lines and Mayflower Transit – its agents, customers, and the public – is of paramount concern. Every possible effort will be made to protect the safety of people and property. Safety is our first priority and is supported by the United and Mayflower agency families, the Headquarters team, and the Board of Directors.

It is United's and Mayflower's duty and legal responsibility to fully comply with all safety, health, and environment laws and regulations. All persons affiliated with United and Mayflower are expected to demonstrate actions and attitudes that reflect the highest regard for safety. In summary, SAFETY is our first priority.
